

Message from Miss Snow

It's been assessment week for all year groups, and this continues into next week. Overall, we are thrilled to see the incredible progress the children are making—well done to them all! A big thank-you to everyone who supported our Fireworks event last week. We had a fantastic time, and it was a great success. Once we have the total amount raised, we will let you know. Thank you also to all those who helped—you really went the extra mile. Please follow us on Instagram this week to see Mr Kimberley progressing from the forward roll to volleyball techniques, and Miss Mills showcasing her brilliant teaching of grammar. I also hope you can join me for our Feedback Coffee Morning on Thursday. I'm keen to hear your thoughts on what's going well and any "even better ifs"! And, of course, I'll have some nice biscuits ready. Wishing you all a lovely weekend!

Learning

This week, our Head Pupils and their Deputies visited South Norwood Primary to join other TPA schools for a Remembrance commemoration. They also took part in learning activities about the significance of Remembrance. Their behaviour was exemplary, and they represented our school brilliantly.

Year 4 visited Benjamin Franklin's House on Tuesday as part of their IPC topic *Making*

Waves. They learned about the armonica and even had the chance to see one made of glass bowls. The children also explored more about how sound works and picked up some fascinating historical facts along the way.

Attendance

A huge congratulations to Class 3B, who have once again claimed this week's Attendance Trophy! For the second week running, they have achieved an outstanding 100% attendance. Can they make it three weeks in a row, just as Class 3T did before half term? We'll be watching with excitement—well done, 3B!

Safe

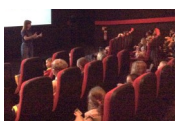

Next week marks Road Safety Week, and during Spring 1 we'll also be focusing on road safety as part of our half-termly safeguarding focus. For more information and child-friendly resources, please visit the website: [Child Accident Prevention Trust – Road Safety](#) — which offers fun activity sheets, safety tips and advice geared for children.

Happy

On Wednesday, Year 3 had a special treat and visited Bexleyheath Cinema to watch *Bad Guys 2*. Before the film began, they took part in a Q&A session, which added even more to the cinema experience. The tickets were free as part of the Into Film Festival—almost as hard to secure as Oasis tickets, but we got them! The children's behaviour was impeccable throughout. A big thank-you to the parents who came along to support the trip—we hope you enjoyed it as much as the children did!

Today, we showed our support for Children in Need, and our school was a wonderful sea of yellow, spots, and pyjamas! So far, we've raised an amazing **£190.78**. Thank you all for your generosity!
