- Chewing gum/chocolate
- Aerosol sprays
- Expensive or valuable clothes.
- Jewellery (only small studs or inexpensive watches allowed)

If any of these items are found they will be confiscated and given back to an adult when we arrive back at school.

More information

Nearer the time we will:

- confirm details such as the staff who will be attending, timings etc. It will be 6 staff members.
- supply you again with a checklist of things your child will need to pack.
- send out a form for you to complete to ensure we have the most up-to-date information about medical and dietary needs.
- Children complete a list of who they want to share with. Usually 5-6 children and we promise 1. We tell them when they get there.

Cost of trip

- The cost of this trip will be £454.00. This includes return coach travel from school to the Isle of Wight, full board accommodation, together with a full programme of activities and insurance.
- You will be able to pay by instalments if required using arbor.
- If your child is eligible for pupil premium for this academic year, the school will contribute up to 50% towards the cost of the trip and the price will be £227.00. The full balance should be paid by Friday 26th February 2027.
- In order to secure your child's place we require a £50.00 (£25.00 if your child is eligible for pupil premium) to be paid via Arbor- trips by no later than Thursday 15th October 2026.
- There will be a link on the letter to check Pupil Premium status if you think you may be eligible.
- Once you commit and pay the first installment you are liable for the cost of the trip.
- This is non-refundable even if your child decides at a later date they do not wish to come.

FAQs that were asked:

Is the total price likely to go up if some children decide not to go?

We have based our numbers on the number of children who attended PGL last year and residential in previous years. We aren't anticipating that large numbers won't attend, so we don't expect the price to change significantly. If, for any reason, uptake is much lower than expected, we will contact parents and reassess before going any further.

FAQs that were asked:

Is it new that I am liable for the full payment
if my child decides not to go?

No, this isn't new. However, we don't think this has always been made as clear as it could have been in the past, which has sometimes left the school with a bill to cover. We want to be clear from the outset that by signing your child up for the residential, you are committing to the full cost of the trip.

FAQs that were asked:

Will any child be staying in a single room?

No. No child will be staying in a room on their own.

FAQs that were asked:

Will my child be able to contact me during the week?

Not usually. Part of the residential experience is being away from home and enjoying the week with their friends. We will, of course, contact you if there is a problem or we feel that we need to speak to you. We will send parents an update each evening with a message and photos. Where permission has been given, we will also share updates on our Instagram and Facebook pages.

FAQs that were asked:

If my child changes their mind and decides they would like to go, can they be added later?

In theory, yes. We book through the Isle of Wight Experience, so we would contact them on your behalf. Although there may still be space at the hotel, we would also need to check that there is space on the coach and ferry, as well as availability for the theatre and other excursions. We therefore ask that, wherever possible, you make your final decision by next Thursday.

FAQs that were asked:

What will be offered to children who do not attend the residential?

The residential is heavily staffed, with six members of staff attending. This means we are not able to provide five days of alternative trips or experiences for children who remain at school. Children who do not attend will still come to school as usual and will be appropriately supervised and provided with learning activities. Depending on the number of children who do not attend, we will also look at arranging an additional activity or experience after the half-term break.
