Burnt Oak Junior School
School Rules

Date written: September 2026
To be reviewed: September 2027

For the safety and well-being of everyone in the school community it is necessary for us to work within a set of rules.

Our six school rules are clear and simple. They are used consistently and are linked with consequences. They are:

- Walk quietly on the left.
- Speak to each other politely.
- Keep your hands and feet to yourself.
- Listen to and follow instructions.
- Attend school regularly and be on time.
- Keep the school environment clean and tidy.

At the beginning of each academic year teachers agree with pupils a set of class rules. These are displayed in the classroom to be used as a point of reference for maintaining high standards of behaviour for anyone working in that room; they are revised at the start of each half term.

Dining Hall Rules

- Be respectful and polite at all times.
- Eat healthy food.
- Follow instructions at the first asking.
- Talk quietly.
- Always walk carefully in the dining hall.
- Stay in designated areas.
- Ask for permission before leaving the table.

Playground Rules

- Play safely with the playground equipment.
- Stay in the playground, unless given permission to leave.
- When you hear the first bell, stand still. When you hear the second bell, walk silently to your line.
